

FREE EVENT for the community. ALL ARE WELCOME!

HELPING HANDS

Pueblo Community Coalition

St. Mary Corwin Hospital, 1008 Minnequa Ave. Pueblo, CO 81004 (Behind the Medical Arts Building)

First Wednesday of each month
10:00 AM until supplies are depleted

The Helping Hands Pueblo Community Coalition brings together local organizations and services to help our community live healthier, happier lives. At our events, you can access free groceries, valuable resources, and on-site support from partners like the Care & Share, Pueblo Public Department of Health & Environment, Pueblo Library, Upward Bound, CSU-Pueblo, ACPC, CommonSpirit, Volunteers of America, The VA, and many others—all designed to help you navigate programs and services in your area.

Our dedicated teams work tirelessly as community advocates—connecting people to the resources they need, building support networks, and coordinating services to make a meaningful difference in the lives of Pueblo residents.
